

ROGA RULES GOVERN ALL PLAY EXCEPT WHERE LOCAL RULES APPLY

HOLES #6 & #18 - During regular play the protective net on the practice range may come into play. Any ball laying within the marked area of the practice area's protective net may be dropped in the corresponding drop area or played under rule 24-2 (relief for stance and swing) **NO PENALTY**. There is no relief for line of sight.

HOLE # 12 - Players are asked to stay on and follow the cart path to turnaround area to view fairway landing area and ensure area is clear before playing.

PACE OF PLAY - This is a short but difficult golf course and the pace of play is strongly enforced. We are here to ensure you have the best possible time at our facility. Golfers are required to finish their round in 4 hours 15 minutes or less.

The Bridges at Tillsonburg does not have a Lightning Detection System or a Lightning Alert System. Users of this golf course are responsible to monitor the weather and to leave the course at the first sign of lightning or thunder, regardless of how far away. Lightning or thunder in the area puts one at risk of serious injury or death.
